

NO SMOKING

In December 2018, Governor Cuomo signed [S.169-B Rivera / A.330-B Dinowitz](#) into law. This legislation amended Public Health Law §1399-o by adding a new subdivision 6 to read:

6. Smoking shall not be permitted and no person shall smoke within one hundred feet of the entrances, exits or outdoor areas of any public or association library as defined in subdivision two of section two hundred fifty-three of the education law; provided, however, that the provisions of this subdivision shall not apply to smoking in a residence, or within the real property boundary lines of such residential real property.

In addition, to protect indoor air quality and to protect the health, safety, and comfort of patrons, employees, and all visitors of Orangeburg Library, no vaping is permitted within the facilities of Orangeburg Library at any time. This includes, but is not limited to, common areas, auditoriums, classrooms, conference and meeting rooms, private offices, elevators, hallways, employee lounges, stairs, restrooms, and all other enclosed facilities.
